Bookkeepers Report

Windsock Village Property Owners

We had been unable to contact the bookkeeper, he explained he had been in the VA hospital. That was 2 weeks ago.

On Wednesday Paula was able to make arrangements to get access to the thumb drive for the information we are requesting. Paula got a call Wednesday at about 1pm from David, and he explained he wasn't feeling well, and that he was in the hospital and they were going to transfer him. Paula met a woman at David's house, Paula spent time with the thumb drive, and after a few hours, managed to access the files. Paula has been able to print reports until May 18th.

Money Market Balance \$25,040.73

Checking Account Balance \$8,755.68

We cannot wait for the bookkeeper to recover, and he hadn't provided details previously when requested. We are not sure what the status of his health is, and we are unsatisfied with his performance over previous months, so we need to take steps to find a replacement for David Manley.

A motion was made to investigate options for a new bookkeeper. The motion was seconded. The motion passed.

A motion was made to have David Manley removed from the WVPOC bank account. The motion was seconded. The motion passed.

Greg will reach out to David to let him know.
